ESID Summer School 2003
on
Primary Immunodeficiencies
September 25 - 29, 2003
Algarve, Portugal

Faculty: Anders Fasth, Andrew Cant, Esther de Vries
         Teresa Español, Georges Holländer,
         Susanna Müller, Gavin Spickett, Jacques van Dongen

The course is geared toward young doctors in training
with a primary goal of education on the diagnosis, pathogenesis,
and treatment of primary immunodeficiencies.
For further information and application form
mail to Anders Fasth, anders.fasth@pediat.gu.se
Last day for application May 30, 2003

Please, copy and advertise in your country’s immunology societies,
and inform your young colleagues especially in the eastern European countries
